For technical reasons associated with colour reproduction, the colours shown give only an indication of shade.  
No guarantee can be given that they will exactly match the powder product.

La technique d'impression des teintes sur papier ne peut pas reproduire avec fidélité l'aspect de nos peintures en poudre sur métal. De très légères différences peuvent donc être éventuellement constatées.

Per motivi tecnici associati alla riproduzione del colore, i colori mostrati danno solo una indicazione di tinta. Non è possibile garantire che il prodotto in polvere corrisponderà perfettamente.
